QB2 Sconce

BK

WH

AL

Description

QB2 is an indirect LED sconce made of extruded aluminum with no visible light source from any angle. QB's clean simple design allows for a modern look with a warm classic glow illuminating the wall or ceiling from either opening of its body. It is offered in brushed chrome, white, and black all with bi-directional white reflector.

Housing

- Extruded aluminum housing in brushed chrome, white, or black. White inner finish on all.

Mounting

- Mounts to 3-1/2" to 4" recessed round J-box.

Electrical/Controls

- 120-277Vac, 50/60Hz input, 17W
- Trailing edge (ELV) dimming driver @ 120Vac to 5%
- Dimmer: Lutron DVELV-300P
