Follow the steps to specify your fixture, example:  
WEP - REN - 32 - E26 - MPBK - PTB - ASH

**DESCRIPTION**  
WEP Light (Wood Ecological Project) is designed, handcrafted in Argentina and assembled in the USA. A two-sided wood veneer section is fused with a malleable center panel for strength and flexibility to create a work of art in a variety of styles and sizes. A plethora of colors for interior and exterior of the shade are offered. Acoustic WEP lights are offered in multiple shapes and sizes and are NRC rated by a third-party lab for absorption efficiency. The natural recycled wood in many finish options, is complimented by a natural Argentinian lamb's wool inner shade for superior absorption. Factory assembly for most shades.

**HOUSING**  
- Sustainable, recycled, reconstructed wood veneer  
- Factory assembled shades with some exceptions due to size

**MOUNTING**  
- Bayonet black canopy with 108" black cord, field adjustable  
- Renata 30: 2.42 lbs.  
- Renata 30G: 14.77 lbs.
