

60" diameter version  
shown in Polished Chrome

# Irene-5HLK

Designed in 2016

Cutting a figure like no other, the Irene-5HLK ceiling-mount fan, is rustic, yet strikingly modern with five neatly joined, solid wood walnut or barn wood tone blades. A cylindrical motor housing complements its minimal profile. Irene-5HLK is streamline while still appearing warm and natural. Constructed of cast aluminum and heavy stamped steel, the Irene-5HLK has a limited lifetime warranty.
